## CMC Renovation & Expansion Project 2009 FACT SHEET

### \$15 Million Total Renovation Project

#### Timeline

- Architectural/design April – June 2009
- Release of bids July – September 2009
- Groundbreaking September or October 2009
- Total estimated time for project Approximately 1 year

#### Expansion of O.R.

- From current 10,000 sq. ft. to 23,000 sq. ft.
- From current 4 rooms to 8 rooms
- \$500,000 in new equipment will be purchased for each new operating room
- Materials Management and Laboratory will be moved to new building, which will be located behind the MAS (Medical Administrative Services), to make room for the new operating rooms

#### Renovation of O.B. unit

- Has not been renovated since construction of the hospital in 1977
- Currently 3 labor rooms, 2 delivery rooms
- Unit will be upgraded with 3 large LDRs (Labor, Delivery, Recovery) rooms, and updating the post-partum rooms to increase patient and physician satisfaction

#### Remodeling of hospital lobby

- Remodel will provide a more inviting environment for guests and allow better flow of entrance and exit
- Will provide a more visible reception/information desk

Carlsbad Medical Center is a full-service 127-bed community hospital. Since 2004, CMC has reinvested a total of \$35 million in improvements and expansions, including a new Outpatient Diagnostic Center, upgraded diagnostic imaging equipment, expanded Intensive Care Unit, and an upgraded and expanded Emergency Department.
